

Nerf Party Guest Information

Timings

Parties are 2 hours long and will consist of Nerf games and a campfire meal.

Please ensure you arrive 10 minutes early as the so we can start the session with all the children on time.

Campfire Meal

Parties: Sadly, we will not be able to offer group cooking around the campfire. However, the meal will be prepared by our kitchen team in the same way and will include campfire sausages in a roll with ketchup or bbq sauce, crisps and an individual snack bowl containing 4 chocolate snacks. All dietary requirements, given notice, can be catered for. All food will be pre-prepped in a clean environment.

Birthday cake – we recommend sparklers in stead of candles. However if you do bring candles these must be fanned out or put on an individual cake for the birth child only.

Clothing

Please ensure that your child has the appropriate clothing for outdoor activities. Trainers, walking shoes or similar, a waterproof jacket, sweatshirt or fleece and we recommend long trousers however, shorts can be worn in hot weather. Ensure all extra items are named and are carried in a small rucksack or bag. In the event of hot weather, we would recommend that provide a sun hat, sun cream, spare clothing etc. as appropriate. **No crocs, flip flops or sandals to be worn. Guests will not be permitted to play if they attend wearing these.**

Weather

We are an outdoor focused activity camp with the ability to run activities under cover. We plan to operate in most conditions but in extreme cases (e.g. heavy snow or exceptionally low temperatures) we may have to alter the programme or postpone a session.

Location

For full details please visit our web site at www.ruggedearthadventures.com

Our address is:

Sutton Green Garden Centre

Whitmoor Lane

Woking

GU4 7QB

Please use the DIRECTIONS on our website as well as postcode. The Garden Centre is situated at the junction of Whitmoor Lane/Guildford Road.

Activities

Nerf Games

In fair weather we will use the outdoor battlefield to run a variety of activities as well as using the evergreen woods for ambush games. Nerf guns and safety goggles are provided.

Only one guest will be able to use the dart refill box at a time for loading. At the end of each game, the darts will be picked up, placed into a pot for sterilising and cleaning by the staff. Fresh darts will then be introduced.

At the end of each activity, children will be required to use hand sanitiser or wash their hands.

All guests will be briefed to stay 2 steps away from each barricade to limit the touching in high frequent areas.

Where possible guests will be briefed to stay 1m away from each other during the games, or as we use during Nerf games, 5 steps.

The re-spawn or power boards will be a non-touch, clearly marked area where one guest can go in at any one time to get their power or life back once they have been shot during the Nerf tag games.

Guns – as above guests will be issued a blaster for the duration of the games. No other child will be able to use this and once finished with, will be placed into a pot for sterilising and cleaning by our staff.
